

# SEMEN ANALYSIS REPORT

Report Date: 7/31/2026

## Patient Information

|              |             |              |            |
|--------------|-------------|--------------|------------|
| Patient Name | rohan bhale | Patient Code | P26000004  |
| Age          | 25 Years    | Phone        | 7898568427 |
| Doctor       | rushali     |              |            |

## Sample Information

|                   |           |                  |           |
|-------------------|-----------|------------------|-----------|
| Sample Code       | S26000001 | Sample Type      | urine     |
| Collection Date   | 7/31/2026 | Collection Time  | 01:32 PM  |
| Abstinence        | 6 Days    | Status           | Collected |
| Collection Method | urine     | Collection Place | lab       |
| Remarks           | na        |                  |           |

## Results

### Macroscopic Examination

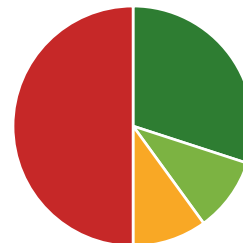

| Parameter         | Result | Unit |            |
|-------------------|--------|------|------------|
| Volume            | 4      | ml   | $\geq 1.4$ |
| Appearance        | Normal | -    | -          |
| pH                | 7.5    | -    | 7.2–8.0    |
| Viscosity         | Normal | -    | -          |
| Liquefaction Time | 30     | min  | $\leq 60$  |

### Microscopic Examination

| Parameter           | Result | Unit       |             |
|---------------------|--------|------------|-------------|
| Sperm Concentration | 56     | million/ml | $\geq 16$   |
| WBC Concentration   | 25.7   | million/ml | $< 1$       |
| Pus Cells           | Few    | -          | Nil/Few     |
| Debris              | Mild   | -          | Absent/Mild |
| Agglutination       | +      | -          | Absent      |

## Motility

| Parameter            | Result | Unit |           |
|----------------------|--------|------|-----------|
| Total Motility       | 50     | %    | $\geq 42$ |
| Progressive Motility | 40     | %    | $\geq 30$ |
| Rapid Progressive    | 30     | %    | -         |
| Slow Progressive     | 10     | %    | -         |
| Non Progressive      | 10     | %    | $\leq 1$  |
| Immotile             | 50     | %    | $\leq 20$ |

- Rapid Progressive (30%)
- Slow Progressive (10%)
- Non Progressive (10%)
- Immotile (50%)

## Morphology

| Parameter      | Result | Unit |          |
|----------------|--------|------|----------|
| Normal Forms   | 1      | %    | $\geq 4$ |
| Abnormal Forms | 99     | %    | $< 96$   |

## Calculated Values

|       |             |
|-------|-------------|
| Sperm | 224 Million |
|-------|-------------|

|              |             |
|--------------|-------------|
| Motile Sperm | 112 Million |
|--------------|-------------|

|                    |              |
|--------------------|--------------|
| Prog. Motile Sperm | 89.6 Million |
|--------------------|--------------|

|                     |              |
|---------------------|--------------|
| Morph. Normal Sperm | 2.24 Million |
|---------------------|--------------|
